

THE HERALD.

SPENCER COOPER, : : : Editor.

HAZEL GREEN, KY.

THURSDAY, : June 2, : 1904.

Our Candidate for President,

WM. RANDOLPH HEARST,
OF NEW YORK.

The remarkable race that Hon. Frank Hopkins made the last time he was sent to congress, in which he won by the largest majority ever accorded any man from the Tenth, should not cause any Democrat to feel too sanguine in the coming struggle. The Republicans are notorious for "still hunts," and try always to slip up on Democrats taking a snooze. It is important, therefore, that every Democrat entitled to suffrage should go to the polls and cast his vote on election day. Mr. Hopkins has made this district a magnificent representative, considering that he belongs to the minority forces, and he should be indorsed by a majority as great, if not greater, than the one by which he went in the first time. Don't, Democrats, go to sleep and let the opposition slip up on you in the least. Keep your eyes and ears open and when the day comes be on hand to do your duty.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by all Druggists.

JUDGE FINLEY E. FOGG, of West Liberty, was shaking hands with friends here Monday. He is prominently mentioned as a delegate to the St. Louis convention from this district, and when we say that he would fill the place as though "tailor made" for it we only voice the opinion of all who know him. He is a pleasant talker, and interesting orator and well up on the issues of the day. Should he be chosen, therefore, the Democrats of this district may feel that he will do the best for their interests, as he sees the situation. Our friend, Breck Hill, is also a candidate for delegate, but as we have always understood it, he wants to go as a delegate at large, one who can browse over the district, as it were—a kind of free lance.

Every Movement Hurts

When you have rheumatism. Muscles are stiff and sore and joints are painful. Hood's Sarsaparilla goes right to the spot in this disease, neutralizes the acidity of the blood and radically cures. Accept no substitute.

HON. F. A. HOPKINS.

Present Representative in Congress, and Democratic nominee to succeed himself. His record for the first term should enable him to win by a larger majority than before. Democrats, let us make it so.

KENTUCKY DAY, JUNE 15.

The Old Commonwealth Promises to Set a New Standard for World's Fair Days.

The Kentucky Commission for the Louisiana Purchase Exposition has decided to postpone Kentucky Day from June 2nd to June 15th, and active preparations to make the day one memorable in the history of the St. Louis World's Fair are now on. No printed invitations are to be sent into Kentucky. Every Kentuckian from no matter what walk of life is cordially invited to be present. The Kentucky Press Association will hold its annual meeting on Kentucky Day at the Kentucky Building on the Exposition Grounds. This organization will meet first in Louisville on June 13th, leaving that night for the World's Fair City on a special train furnished by the Henderson Route. On Tuesday, which is June 14th, the editors will do a little sight seeing and in the afternoon be entertained at the Woman's Magazine Building outside the grounds. On that night they will see "The Pike."

While the programme for Kentucky Day is not complete, enough is known to announce that it will be full of interesting events. The Kentucky Building is to wear a gala attire and brass band music from the outside and a string orchestra from the inside will give to the "New Kentucky Home" an attractive tone. The editors will hold an informal session at 10 o'clock in the morning, followed by a tour of the grounds on automobiles and on the Intramural System, winding up at one o'clock with a luncheon probably at the east pavilion, which is being conducted by Mrs. Rorer, the famous cook-book woman. At 2 o'clock the regular Kentucky Day exercises will begin in Festival Hall, consisting of addresses by prominent Kentuckians and ex-Kentuckians. After the ceremonies a recital on the big pipe organ will take place. At night in the Kentucky Building there will be a reception from 8 to 11 o'clock. The invited guests outside of Kentucky will include the Exposition's social list, the Kentucky Society of St. Louis and the delegates to the National T. P. A. Convention. On Thursday morning the Kentucky Commission will hold a business session and on Thursday evening the Kentucky Society of St. Louis will entertain in the Kentucky Building in honor of the commission.

Driven To Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c. at all Druggists.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
